Seat depth: 42 cm
Backrest height: 36 cm
Width of bathtub: from 55 to 65 cm
Minimum contact surface: 4 cm - 9 cm
Weight: 5,8 kg
Maximum weight capacity: 100 kg

Tilt shower chair "Sway II"

Sway II is an innovative indoor tilt chair which can be used both as a shower chair and as a commode chair.

The headrest can be moved laterally and it is adjustable in height, angle and depth.

The powder coated aluminium frame is resistant to the external agents.

The chair is equipped with flip-up armrests. The legrests are height adjustable, swing away and removable and are provided with heel straps.

The seat-back tilting mechanism allows the chair to be tilted about 5° forwards and 25° backwards. The **double gas spring** system under the seat can be operated by the assistant by means of a lever located on the push handles.

The upper seat cover can be removed to allow the chair to be used as a padded toilet seat with the underneath bucket. The bucket can also be easily removed to position the chair directly over the toilet seat.

Sway II is equipped with 5" (12 cm) swivelling wheels with brakes.

The padded components on the chair are made of water resistant polyurethane foam.

Product code

OSD-2005245-2P
